NUISANCE(S): The properties listed above have been identified as having one or more of the following public nuisance conditions:

(1) Keeping, storing, or accumulating refuse on premises in a neighborhood unless the refuse is entirely contained in a closed receptacle;
(2) Keeping, storing, or accumulating rubbish, including newspapers, abandoned vehi-

cles, refrigerators, stoves, furniture, tires, and cans, on premises in a neighborhood or within 300 feet of a public street for 10 days or more, unless the rubbish or object is completely enclosed in a building or is not visible from a public street;

(3) Maintaining premises in a manner that creates an unsanitary condition likely to attract or harbor mosquitoes, rodents, vermin, or disease-carrying pests;

(4) Allowing weeds to grow on premises in a neighborhood if the weeds are located within 300 feet of another residence or commercial establishment; and/or

(5) Discarding refuse on property that is not authorized for that activity.

To avoid further enforcement action you must abate the nuisance before the 31st day after a notice is served. Failure to do so may result in abatement of the nuisance by the County, assessment of costs, and a lien against the above-described premises. Criminal prosecution may be initiated if a nuisance remains unabated after the 30th day and may result in a fine not less than \$50 or more than \$200. County may prohibit or control access to the premises to prevent a continued or future nuisance.

You may submit, not later than the 31st day after a notice is served, a written request for a hearing to Dallas County Unincorporated Area Services. The request should contain the name and address of the person to be notified of the date, time and place of the hearing. You may appear and present evidence, examine witnesses and argue on the owner's behalf. A hearing request does not preclude the filing of a civil suit or criminal prosecution.
